Town Clerk/Tax Collector Cheryl Nealley met with the Selectmen to keep them informed that she is starting the deeding process regarding 2014 taxes that were liened in 2015. Selectman Hebert inquired as to how many. Nealley replied that she hadn't counted but it is too many. Selectman Hebert inquired as to the total value. Nealley replied \$147,000.00.

Chairman of the Conservation Commission, Daryl Mazzaglia, informed the Selectmen that she is working with the Upper Saco Valley Land Trust to define the area of the old dump located at 1300 US Rte 302 (5VILLG-MAI-580) as there is no accurate information/map. She was speaking to former Selectman Douglas Garland who has volunteered to walk the property with her. Garland had suggested that she check with Chairman Chandler to see if he wanted to walk the property. Chairman Chandler stated that he didn't mind walking the property but doesn't believe he could contribute anything so he has no problem with Garland doing it. Mazzaglia also mentioned that the area is over run by very thick Japanese knotweed which is a very invasive plant that is difficult to get rid of and is spreading.

The Selectmen congratulated our newest full time police officer, Tyler Eldridge, who graduated on August 18th from the NH Police Standards Academy. Selectman Hebert apologized that they couldn't go to his graduation ceremony as they would have been there if allowed but with it being held at UNH there was limited space.

The Selectmen signed checks, reviewed building permits and correspondence throughout the meeting.

There being no further business the meeting was adjourned at 05:00 PM.

Respectfully submitted,

Brenda Medeiros, Sec.
