David Woodward, Avitar Associates Assessor, informed the Selectmen that he dealt with about 95 people last Wednesday, Thursday, and Friday. Woodward stated that Lynn Jones, AA, has work to be done so it would probably be a couple of weeks. Chairman Chandler inquired if it would help if a statement that the work was done satisfactorily was written to Stephan Hamilton (NHDRA Commissioner). Woodward stated that Department of Revenue Administration (DRA, Auditor Phil Bodwell) has been monitoring what has been going on and that the Board of Tax and Land Appeals (BTLA) have been kept abreast of the process.

Selectman Hebert stated that he had an inquiry if the Bartlett Jackson Transfer Station would be accepting debris from the flood for free as they did last time during Tropical Storm Irene. The Selectmen discussed hours with the transfer station manager, Donald Miller, and decided that if people affected by flooding came and picked up haulers certificates that they could go to the transfer station three times a day for five days between the hours of 1:30 PM – 05:00 PM and not pay a disposal fee.
