Administrative Assistant Lynn Jones reported that emails are being received in the Selectmen's Office regarding the two petitioned warrant articles. A response has been drafted to answer the questions. The public hearing for the Planning Board is Monday, January 3, 2022 at 6:00pm. These articles will appear on the ballot for voting on Tuesday, March 8, 2022, not at the deliberative session.

There was general discussion about the upcoming budget meetings with department heads. Some draft budgets have been received. AA Jones will email the department heads that need to turn in their budgets and remind them. Department heads will be scheduled to meet with the selectmen throughout January.

A request has been received from the transfer station employees to review the current hours and make possible adjustments on the weekends. AA Jones will contact the Jackson selectmen for their opinion on the changes.

Selectman Vincent reported on his discussions with Fire Chief Currier regarding which engine will be replaced with the new pumper truck expected to be received in early 2023. Initially Chief Currier thought it would replace the tanker engine, but after discussion they believe they will replace one of the other engines that has been experiencing mechanical issues. This decision is also due to a large portion of the town not having access to hydrants.

The next meeting will be held on Wednesday, January 12, 2022 at 3:30pm in the Meeting Room at Town Hall.

There being no further business, the meeting was adjourned at 5:37 p.m.

Respectfully submitted,

Mary Miller
Secretary
