Public meeting opened at 4:32 p.m.

Jeff Rothen and Val Rothen attended the meeting to discuss a letter regarding the dugway berm that was delivered to the Selectmen's office that morning. Since the selectmen did not have the opportunity to read the letter prior to the meeting, Mr. Rothen provided a synopsis of the letter. Mr. Rothen shared the history of the creation of the berm. Mr. Rothen and the other residents who signed the letter are requesting to have a committee created to assist the selectmen in repairing and rebuilding the berm. Mr. Rothen shared information about HMGP (Hazard Mitigation Grant Program). Mr. Rothen offered to help with this project. Chairman Chandler shared that NRCS (Natural Resources Conservation Service) has offered to conduct an overall study of flood issues and that FEMA has been asked to look at the berm and three or four other areas of concern. It was asked if FEMA will look at the Saco River Flood Hazard Reduction Study report. Chairman Chandler stated that they would have access to it and that the town still needed to meet with FEMA. Mr. Rothen asked if we could just decide for ourselves and why we had to meet with FEMA. Chairman Chandler explained that the town is working with FEMA. There were several people sharing their thoughts on how the town should proceed with repairing the berm. Chairman Chandler thanked them and told them the town would respond to their letter.

Chairman Chandler shared that when NRCS had provided a list of projects approved for the town they included a possible buyout of 34 Camp Road Loop. After further investigation they discovered there is no building at 34 Camp Road Loop and therefore this property would not qualify. NRCS did think that 38 Camp Road Loop might qualify if the town would like to pursue this. Chairman Chandler made a motion to not pursue the 38 Camp Road Loop property as a buyout. Selectman Munro seconded the motion. Roll call vote GGC – yes, VLG – absent, RTM – yes

Road Agent Travis Chick recommended that the selectmen hire Andrew Hynes for the open position on the highway department. Selectman Munro made a motion to hire Andrew Hynes for the full-time position. Chairman Chandler seconded the motion. Roll call vote GGC – yes, VLG – absent, RTM – yes

Selectman Munro made a motion to approve the minutes of 7/10/2024. Chairman Chandler seconded the motion. GGC – yes, VLG – absent, RTM – yes

The next Selectmen's Meeting will be on Wednesday, August 7, 2024, at 4:00 p.m.

There being no further business, the meeting was adjourned at 5:37 p.m.

Respectfully submitted,
 Mary Miller
