

/Town of Bartlett Office of Selectmen

Meeting Minutes: June 22, 2015

Attendance: Chairman Gene Chandler, David Patch, Jonathan Hebert

Reporters: None

Meeting opened at 03:30 PM.

Town Clerk/Tax Collector Cheryl Nealley met with the Selectmen to let them know that the person she was training to be a Deputy Clerk has sent her a text informing her that for personal reasons she will be moving back to Massachusetts. Nealley has workshops coming up in August, September, and October and now she will have no one to cover for her while she attends these workshops. Chairman Chandler inquired if the certification workshop is for the whole week. Nealley replied that it is for one week for the next four years. Chairman Chandler inquired if this is mandatory. Nealley stated that this one is strongly suggested and the ones in the Fall are mandatory. Nealley inquired if she could ask the former clerk, Leslie Mallett, to cover for her since she does this for the Town of Conway periodically. Chairman Chandler suggested that we find out what Mallett's schedule is and if necessary we could publish that we will be closed for a couple of days. Chairman Chandler inquired if people could go to Jackson. Nealley replied that they could do the State portion but not the towns. Lynn Jones, AA, inquired if the deputy in Jackson could cover for us. Nealley stated that she will be covering Jackson for their town clerk. Nealley mentioned that she could advertise on the State web site that she is looking for someone. The Selectmen suggested that she start by contacting Mallett and go from there.

Chairman Chandler discussed the placement of the Historical Society's renovated snow roller. He suggested that we solicit the input from the town's people as to where they think would be the best place for it. It was agreed that we would put something in the local paper as well as post it at the town hall and local post offices.

Police Chief Janet Champlin met with the Selectmen and requested to enter nonpublic session to discuss a personnel issue. Chairman Chandler made a motion at 04:10 PM to enter nonpublic session per RSA 91-A3 II (a). Selectman Patch seconded the motion. Roll call vote was unanimous. Chairman Chandler made a motion at 04:40 PM to end the nonpublic session and to seal the minutes. Selectman Patch seconded the motion. Roll call vote was unanimous.

Chairman Chandler had met with Gary Chandler of the Lower Bartlett Water Precinct (LBWP) and discussed the water project for Linderhof. Chairman Chandler had a map which he displayed and went over the project. There was a concern that the trench patch and overlay that LBWP was to do came back differently on the proposal they sent to the town. Chairman Chandler mentioned that there are some issues such as the section of road from Kringles up is bad but is not part of the water line project. Not sure of how much trenching is to be done as there are a lot of trenches in some areas but not many in others. Perhaps we could not do parts of one section of road so as to do the repairs by

Kringles. Chairman Chandler has no problem sticking with the original plan. Selectman Hebert inquired if these changes have been reduced to writing specific. Chairman Chandler stated yes. Chairman Chandler also mentioned that they are doing a 26' wide road and 24' wide is plenty wide. Selectman Hebert inquired if we should cut back now. Chairman Chandler yes as that is extraordinarily wide. Selectman Hebert stated that we need to obtain the road agent's opinion. Selectman Patch commented that he would go along with doing the work by Kringles as that is a very heavily traveled area. Selectman Hebert needs to go drive the road so he can understand it better.

Chairman Chandler mentioned that he had stopped at the Glen Community Baptist Church (2RT302-20-R00) and looked at two trees that they wanted to have removed from the property before they fell over. Chairman Chandler confirmed that the trees are dead. Selectman Hebert inquired as to why they needed to get permission to cut them. Chairman Chandler explained that they are in the green area. Chairman Chandler inquired from Brenda Medeiros, Sec. what they were planning on planting to take the place of these two trees. Medeiros stated that she wasn't sure what they were planting but something would be planted there. The Selectmen all agreed that the trees could be cut. Medeiros placed a call to Pastor Rose and informed him of the decision.

In response to a short note that the Selectmen received from Robert Moschetto (1ALPEN-44-0), Selectman Hebert inquired if the town was doing anything more in the area of the Moschetto property at 104 Alpstrausse. Chairman Chandler stated that he isn't sure how much more can be done but when the Road Agent returns from vacation and gets caught back up, that we will consult with him about this. We will have him put ribbons up as to where he would like to be able to turn the trucks around. Selectman Hebert stated that we should schedule a time with the owners in the area to see what we need to do to solve the problem. The Selectmen agreed that they would do this at the site at a later date.

The Selectmen signed checks, reviewed correspondence, and building permits throughout the meeting.

There being no further business the meeting was adjourned at 05:10 PM.

Respectfully submitted,

Brenda Medeiros, Sec.
